

# **PRESS RELEASE**

Dallas, Texas. January 25, 2010

FOR IMMEDIATE RELEASE...Digital Shoebox™ from Home Inventory Experts™ takes your ugly stack of receipts and organizes and saves them digitally! Tax time is here - are you ready?

We turn your ugly stack of ever-fading receipts into one CD with IRS-approved digital copies and a spreadsheet - all for just \$29.95 per month up to 100 receipts. Drop an envelope in the mail and within a week, you receive a CD containing digital copies and a spreadsheet with receipt details including date, amount, store, etc. All originals are returned or destroyed - you decide.

85% of tax payers leave money on the table every year by not having legible, organized receipts. It's hard to prove your deductions with faded and wrinkled paper (assuming you can find it).

Home Inventory Experts™ is fully insured, bonded, and certified. People have trusted us with their most delicate information for over 15 years.

Call or click today and stop spending hours totaling receipts! Mention coupon code: LLP-125 and receive one month free when you purchase an additional month.
